Being a good neighbor at Toyota of Santa Maria

Christian Garza, left, from Toyota of Santa Maria and Toyota of Santa Maria General Manager Carl DeRiso load boxes of clothing into a Good Sam truck Friday as part of the United Way Neighbor to Neighbor Program.

Toyota of Santa Maria and the Northern Santa Barbara County United Way have partnered to purchase more than \$150,000 worth of clothing and household items that will be distributed through the program.

Recipients of the products will include Santa Maria PathPoint, Good Samaritan Services, Charlene's Closet, Catholic Charities, Lompoc Boys and Girls Club, Guadalupe Family Resource Center and Santa Maria Healthy Start.

The partner front line agencies will then distribute the products to families and individuals in need.

The donated products include clothing for men, women and children, women's shoes, jewelry, toys and games, house wares, books and sanitary wipes.
